Little Feat Guitarist Paul Barrere Adds Solo Album To Flying Eye Radio Network Online Store

"If You're Going To Be Crazy, You Have To Get Paid For It Or Else You're Going To Be Locked Up."
Hunter S. Thompson, Famed American Philosopher

Malibu, California, June 20, 2013 - The Flying Eye Radio Network is proud to announce that Riding the Nova Train, the new solo album by Little Feat member Paul Barrere, is now available through Flying Eye Tunes. The album released on Better Daze Records features the 40-year Little Feat member along with his songwriting partner, Roger Cole, in an eclectic effort of ten songs recorded over the last seven years. The third solo record from Paul Barrere has a hard-driving guitar sound that is frequently featured on the Flying Eye's Music Gumbo. Paul's work with Little Feat is legendary and this solo effort is a great foray into the exploration of this legendary guitarist's sound.

Flying Eye Tunes also features an array of artists from Jason Sinay, Richie Barron, and Steel Toed Slippers. Individual tracks are only 89 cents and can be previewed before purchase. Just make sure to allow pop-ups from the Flying Eye on your browser to ensure proper download. Riding the Nova Train is a great addition to any music collection, so check out the store and download some new tunes today!

Flying Eye Radio Network is an Internet radio station which began broadcasting in 2007 and now broadcasts across 50 countries, and 48 of our 52 states. Flying Eye broadcasts the entire spectrum of musical colors, every single type of music is represented on the Flying Eye Radio Network. That includes jazz, rock, hip hop, R & B, country, rockabilly, and classical are just some of the pieces that make up this musical puzzle. It's new music, live music, and vinyl music. The lines of music are not blurred they are erased. Each host has the ability to pick whatever music they want, there is no list, and there is no one telling anyone what to play or what not to play. Flying Eye also features numerous unsigned/independent artists and we make a concerted effort to ensure their music has a captive audience on a regular basis. Many of these artists are featured on our online store [Flying Eye Tunes](#).

We are "The Antidote to Commercial Radio". Each musical week begins on Monday with the FlyLow show hosted by Dusty Street, semi live from the Rock n Roll Hall of Fame's Alan Freed Studio in Cleveland. Tuesday finds Rock Rhythm & Roots hosted by Golden Mic Laureate Steve Cosio, it is the Music Lover's Radio Show. Thursday the Flying Eye Radio Network founder and Grand Poohbah, Andy Goldfinger's Music Gumbo offers up a potpourri of musical comestibles that encompass the entire musical spectrum. Finishing the week our very own Radio Legend Geno Michellini and Turntable Hits. This is the show that pays tribute to what FM radio used to be. There is laughter therapy with the Flying Eye Funnies, and no better way to start the weekend than by Banging The Drum with Geno.
